SAINT JOHN'S SOCIAL JUSTICE ADVOCACY PROGRAM

MISSION STATEMENT

The Social Justice Advocacy Program supports Faith in Action's commitment to social issues of concern to St. John's parish. It seeks to identify opportunities for engagement and offer tools for effective advocacy on issues of concern to the parishioners.

"...Participation in our government is a way of participating in our common life. And that is a Christian obligation. Indeed, we who follow in the Way of Jesus of Nazareth are summoned to participate actively as reflections of our faith in the civil process."

**PRESIDING BISHOP
MICHAEL CURRY**

"We urge Christians to remain steadfast in their faith and engage with the deepening challenges our nation faces."

Social justice advocacy efforts from June include meetings with council members, participating in several faith-based advocacy training sessions and more!

Planned summer initiatives include Working with Council member Friedson on possible fundraisers and/or awareness campaigns to promote food security, drafting a letter to the County Executive with our views on upcoming budget revisions, and more!
